

View of Tairua and Pauanui

The cosy resort town of Tairua is a leisurely 1.5 to 2 hour drive from Auckland, Hamilton or Rotorua on sealed and scenic highways and is a perfect spot to start or end your holiday. From Tairua, visitors can explore the coastline north and south to the many beaches and hidden coves that make the Coromandel Peninsula so unique. The famous Hot Water Beach, where you can dig your own hot pool at low tide, is a short 20minute drive away along with the iconic Cathedral Cove 5 minutes further.
